

Remarks

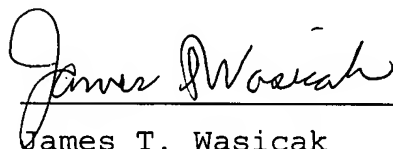

The specification has been amended to include the priority claim and to include subtitles. The claims have been amended to eliminate multiple dependant claims and to conform the claims to U.S. practice. The amendments to the claims are not narrowing amendments. With these amendments, claims 1-13 are pending.

Applicants respectfully request entry of the amendments.

Respectfully submitted,
McDonnell Boehnen
Hulbert & Berghoff LLP

Date: March 24, 2006
